Dear Parents/Guardians,

Re: A Midsummer Night's Dream

Just when we thought it was all over... it isn't! Dr Steward and many others were really keen for the cast to do a second performance of 'A Midsummer Night's Dream'. It was a lot of work for just one performance, in addition it didn't give the actors the opportunity to learn from their first performance and put what they learnt into a second try. I am really pleased that we are going for it. I was very proud of the cast and felt they did magnificently well but I know we could tweak a few things and make it even better.

As you know we had a cast meeting on Monday and decided the following. The cast need to bring their costumes and props back to school. On Tuesday 19<sup>th</sup> November they will meet me after school and we will walk down, with costumes/props/make-up/hair stuff/musical instruments to the Marine Theatre to rehearse till about 5.30. At this point if there is time they can go home to eat or stay and get chips or bring a packed supper.

We will then put on a second performance at 7pm. Tickets will be bought on the door, £5 for adults and £3 for children/students. I really hope you will be able to encourage as many of your friends and family to come and support us for a second time. It will only be Woodroffe performing this time.

Thank you so much for your support throughout the Shakespeare School Festival Project. It has been great fun and your children have been a pleasure to work with. I hope they have enjoyed themselves and also learnt from the experience.

Yours faithfully,

Anne Cruwys-Finnigan  
Head of Drama and Dance
